WENCON® SUPER YACHT KIT

THE TOOLS AT HAND TO PERFORM TEMPORARY REPAIRS & MAINTENANCE

WENCON SUPER YACHT KIT

The WENCON Super Yacht Kit is a unique Repair Kit tailored for the needs of a super yacht. The Super Yacht Kit forms a comprehensive tool kit, effective for emergency and minor repairs on a wide variety of surfaces and materials.

Wencon UW products

Our Wencon UW products (underwater products), a fast curing two-component epoxy compound and protective coatings, with a wide range of applications for emergency repairs and maintenance tasks in wet and submerged areas.

Wencon Pipe Tape

A fast curing pipe repair bandage especially designed for super-fast and effective repairs of pipe cracks, leaks and corrosion attacks

Wencon Exhaust Repair

A one-component steel cold weld product for repair of cracks and holes in equipment exposed to temperatures up to 1300° C (2400°F) in for example, engine and exhaust pipes, expansion joints etc.

The kit contains solutions for among other things:

- Sea water pipes
- Tanks
- Cooling systems
- Engine and exhaust area
- Suction wells / Drain rails
- And much more..
