solutions*

WENCON® Emergency Repair Kit

TOOLS RIGHT AT HAND FOR PERFORMING TEMPORARY REPAIRS & MAINTENANCE

WENCON EMERGENCY REPAIR KIT

The WENCON Repair Kit, tailored for commercial fishing vessels and trawlers. A unique Repair Kit, excellent for super-fast emergency repairs, and perfect adhesion to all steel-Brass, Alloys, GRP/GRE, Aluminum and much more.

Wencon UW products

Our Wencon UW products (underwater), a fast curing two-component epoxy compound and protective coatings, with a wide selection of applications for emergency repairs and maintenance in wet and submerged areas.

Wencon Pipe Tape

A fast-curing pipe repair bandage especially designed for super quick and effective repairs of pipe cracks, leaks and corrosion attacks.

Wencon Exhaust Repair

A one-component steel cold weld product that can be used to repair cracks and holes in equipment exposed to temperatures up to 1300° C (2400°F) in engine, exhaust pipes and exhaust expansion joints etc.

Even though we have got several tailored kits in stock already, we can easily tailor a kit for your specific needs as well, and every Kit include multiple repair solutions for among other things:

- Sea water pipes
- Tanks and pressure vessels
- Cooling systems
- Engine blocks, pipes and covers
- Exhaust pipes, expansion joints etc.
- Manifolds and turbo charger housing
- Coolers and end covers
- Suction wells / Drain rails etc.
- And much more.

REPAIR KIT FOR COMMERCIAL FISHING VESSELS Main engines - Diesel generators – Boiler systems
